

PSICO²™ BANDIT

CO₂ Shatter in a day

without the use of ethanol!

PSICO² extractors are faster than any other system on the market. Featuring non-stop processing, their design makes reloading simple and easy with no interruption to processing.

The collection chamber utilizes a patented in-line fraction system. It's unique design produces extractions that rival butane systems in concentration and quality.

PSICO² Bandit grows with you; processing up to 270 pounds a month on one system.

- Process up to 9 pounds a day*
- Pure concentrations of THC, Terpenes and CBDs
- High Terpene content
- 10-15% yield

The Bandit.....\$49,995.00

* with three 8 hr. shifts.

Dual Chambers

- 1.5 L chambers each holding 350 grams of material
- Allows for continuous operation
- Reload chambers without shutting down

Collection Chamber

- 6061 Aeronautical Aluminum construction
- 3/4 lbs extract capacity
- Patented In-Line fraction technology

Pneumatic Driven liquid CO₂ Pump

- Flow rate 4.12 L/min
- Max Pressure 3000 psi

Patented PSICO² Bandit

*Cannatech Award
Recipient 2017*
